

## Education Umpire?

We all enjoy baseball, whether a spectator, Parents, players or possibly just being a fan of the sport of baseball. In order to maintain this fun we are dependent on training Umpires and Scorers on a regular basis.

## *That's why we need your help!*

### **Fun and physical requirements:**

A person who wants to become an Umpire should be healthy and enjoy outdoor activities. He should enjoy baseball, be able to react quickly and be able to assert himself. Age plays only a subordinate role. Umpires are athletes just like the players and can play their sport much longer than most active players. Making decisions in fractions of a second, recognizing and evaluating situations at lightning speed, promotes your self-confidence in everyday life.

### **We're looking for:**

As an Umpire or Scorer in the junior and men's area? With an Umpire training you also benefit in your personal development. We support you with free training and other amenities. We are looking for assertive, athletic baseball, parents with an interest in baseball or otherwise interested, with a sense of fairness and rules.

### **What you should bring:**

- You are sportive and
- At least 14 years of age.
- You love baseball.
- You're reliable and willing to learn.

### **Benefits as Umpire:**

- We provide the equipment.
- Lots of development opportunities (C, B, A certificate)
- Reimbursement of expenses and travel costs
- Later takeover of other functions
